- + Stirling Range National Park
- + Porongorups National Park
- + Motel Accommodation
- + 3 Evening Meals, 3 Breakfasts

### Itinerary: \*\*\*MD – Motel Dinner, FB – Full Breakfast, Motel – Motel Accommodation\*\*\*

#### + Day 1:

A delightful drive into the Darling Range Escarpment from North Dandalup to the picturesque forest town of Dwellingup for morning tea break. Then over the Murray River and through the forest where we stop for our botanical guide to explain and show the range of flora on the forest floor. Onto Collie for lunch. Later we visit Gnomesville, a mysterious collection of garden gnomes of all shapes and sizes. We continue on through the beautiful countryside to Donnybrook, Bridgetown and our accommodation at Manjimup. (MD, Motel)

#### + Day 2:

On to the Karri Forests of Pemberton. We enjoy a delightful drive in the forest with our guide explaining the variety of plants that thrive in this lush ecosystem. On via Walpole and Denmark to the giant Tinglewood Trees of the Valley of the Giants. On to Albany, our home for 2 nights NOTE: Tree Top Walk is INCLUDED (FB, MD, Motel)

#### + Day 3:

The area of Australia which produces the wildest variety of wildflowers, the great gem of the Great Southern is the Stirling Ranges. Here we stop for walks with our botanical guide explaining and pointing out the vast array of flowers. Later we visit Mt Barker and the island of Karri, the Porongorups for another floral exploration. Return to Albany (FB, MD, Motel)

#### + Day 4:

A morning tour of Albany, Mt Clarence and a visit to National Anzac Centre. Later we head home via Kojonup and Williams and the delightful countryside of the Great Southern. NOTE: Anzac Centre is INCLUDED (FB)

**NOTE: Program details may change due to variations in flower growth from season to season**
