WESTERN AUSTRALIA

Disconnect from the everyday and the welltrodden, and reconnect with something unspoilt and a little wild in Western Australia. The country's largest State with its longest coastline and sunniest capital city of Perth, Western Australia is a place to recharge your spirit-outdoors in the fresh air and wide open spaces, where it's always summer somewhere. Get ready to tick off your adventure bucket list as you journey through bubble gum pink lakes, horizontal waterfalls, tall timber forests and the world's oldest and largest outdoor art galleries. Swim with gentle whale sharks, manta rays or humpback whales over the world's largest fringing coral reef, or tackle an iconic four-wheel-drive outback adventure. Gaze at otherworldly landscapes from an open-door helicopter or stand in the stillness of an ancient cave. Raise a glass to an Indian Ocean sunset at one of Perth's 19 world-class beaches or escape to your own secluded coastline, including Australia's whitest beach. Witness carpets of colourful wildflowers in bloom, see a staircase to the moon or hike pristine wilderness to natural wonders shaped by billions of years. Meet friendly local characters who reveal the stories of this land - from the urban laneways and parks of Perth to walks on Country with an Aboriginal guide from the world's oldest living culture. Sip your way through Australia's most premium wine country in the Margaret River Region, where tall-timber forests meet the sparkling turquoise ocean, or cruise to Rottnest Island to meet a quokka, the happiest animal in the world. There really is an adventure waiting for everyone in Western Australia.
